Team Rules for the MQHYA World Show Team

It is a privilege and honor to qualify and be chosen for the MQHYA World show team. As a team you will be working towards a group goal, not an individual seeking personal acclaim. This should be remembered in all areas of participation. As a team you will respect and support each team member.

- Once the team is chosen members will be required to meet at least once before the world show for team photos, to make plans for stall decorations and the parade of teams.
- At the team meeting youth will decide if they want to pursue additional fundraisers to help offset world show expenses.
- Each team member must conduct themselves at all times in a becoming manner.
- All team members are responsible for keeping aisles, tack, feed and horse stalls clean at all times, as well as caring for your own animal by making sure it has appropriate feed and water.
- Monies collected from the Letter of Declaration fees will be applied to expenses incurred at the World show.
- The remaining cost of extras such as fans, decorations and supplies will be split between the team.
